

GLPA SERVICE AWARD

The GLPA Service Award is presented to GLPA member(s) who has performed exceptional and/or long time service to the organization. This is more than just holding an office. Consideration will be given especially to people holding an appointed position as they usually don't get the "limelight" that elected officials receive; however elected officials are certainly eligible. It is presented as needed (i.e. it is not an annual award).

Examples would be:

- Holding an office for more than 10 years.
- Hosting a conference plus editing several Tips booklets and performing other duties.

Nominees for this award may be made by any GLPA member and voted upon by the Executive Committee. Nominations are due on the Vernal Equinox and should be sent to the **GLPA Membership Chair**.

The closing date for nominations is the Vernal Equinox. The award is presented at the annual Fall Conference.
